HALF-YEARLY FINANCIAL REPORT

SIX MONTHS ENDED 30 JUNE 2013

YORKSHIRE POWER FINANCE LIMITED

INTERIM MANAGEMENT REPORT

Registered in the Cayman Islands Registered Number: CR 75763
Registered Office: P O Box 309, Ugland House, South Church Street, Georgetown,
Grand Cayman, Cayman Islands

Cautionary Statement

This interim management report has been prepared solely to provide additional information to shareholders to assess the business of Yorkshire Power Finance Limited (the "Company") and should not be relied on by any other party or for any other purpose.

Operations

The Company is registered in the Cayman Islands, is a subsidiary of Northern Powergrid Holdings Company, which is incorporated in the United Kingdom, and acts as the issuer of long-term debt securities. The Company's financial assets are loans advanced to other undertakings in the Northern Powergrid Holdings Company group of companies (the "Northern Powergrid Group") and trade and other receivables.

Results for the six months ended 30 June 2013

During the period ended 30 June 2013, the Company made a profit after tax of £0.1 million (period ended 30 June 2012: £0.1 million).

Interest on the fixed interest rate loans exposes the Company to fair value interest rate risk. The loans are non-secured and the Company has no undrawn committed borrowing facilities.

This half-yearly report for the Company, which includes non-statutory financial statements prepared in accordance with International Financial Reporting Standards ("IFRS") and the provisions of the United Kingdom Companies Act 2006, being the national law of the Member State of the European Union in which Northern Powergrid Holdings Company is incorporated and which would have been applied if the financial statements were United Kingdom statutory financial statements, has not been subject to audit or review by the Company's auditors.

There were no significant events during the period ended 30 June 2013 and the Company is scheduled to meet its obligation to make the annual interest payment on its debt securities by 6 August 2013.

No ordinary dividends were paid in the period resulting in £0.1m being transferred to reserves.

Related party transactions

Details of the related party transactions entered into by the Company and changes therein are included in Note 2 to this interim management report.

Risks and uncertainties

The principal risk facing the Company for the remainder of 2013 is not having sufficient liquidity to enable the Company to meet its liabilities as they fall due and to provide adequately for contingencies. In this respect, borrowing facilities are made available to the Company by other companies in the Northern Powergrid Group, if required.

Further information on the principal long term risks and uncertainties and the internal control system are included in Northern Powergrid Holdings Company's latest annual report for the year to 31 December 2012, which is available at www.northernpowergrid.com.

Going concern

In the Company's latest annual report and accounts for the year to 31 December 2012 the directors set out a number of factors taken into account when considering continuing to adopt the going concern basis in preparing that annual report and accounts and would confirm that no events have occurred during the six months to 30 June 2013 to alter the view expressed in that annual report and accounts.

Future strategy and objectives

The Company will continue to act as the issuer of long-term debt securities.

Responsibility Statement

We confirm that to the best of our knowledge:

- (a) the condensed set of financial statements has been prepared in accordance with IAS 34, "Interim Financial Reporting", and gives a true and fair view of the assets, liabilities, financial position and profit of the Company for the six months to 30 June 2013; and
- (b) the interim management report contains a fair review of the important events that have occurred during the first six months of the year and their impact, if any, on the condensed set of financial statements and a description of the principal risks and uncertainties for the remaining six months of the year.
